

4

weeks to go

- Book a removal company and gather any packing materials that you may need
- If you are renting, notify your landlord that you are leaving
- Declutter your belongings and start packing non-essential items
- Book extra storage space if required

2

weeks to go

- Update your utility providers, both old and new
- Arrange for your post to be redirected with the Royal Mail
- Book child and pet care for moving day
- Cancel/change subscriptions to your home address

1

week to go

- Check that your insurance is in place and covers you from the day that you move in
- Make arrangements to collect the keys
- Finish packing the rest of your belongings
- Pack an overnight bag with essentials and toiletries so it can be found easily

Moving
day!

- Pack a moving day survival kit, including kettle, mugs and refreshments
- Keep a bag of toys and books on hand to keep young children entertained
- Take details of meter readings
- Gather all of your valuables/documents in one place for safekeeping

**Once you have moved, keep everyone informed of your new address.
Find our handy address checklist on the next page!**
